Our School Day

BREAKFAST CLUB

Breakfast Club opens at 8:30am each morning through the hall door. Anyone who is attending needs to be in school for 8:30am so they have time to eat their breakfast before their school day starts. Children will not be admitted after 8:35am as we find there is not enough time for them to eat. There is no need to book a place or attend every day. The only charge is for what your child eats on the day.

If you would like childcare before 8:30am and after school please visit our LINK CLUB page on the website.

Below is a list of breakfast available and their cost:

Toast	25p
Cereal & milk	60p
Fruit	20p
Glass of milk	20p
